AL WASL OPERA

OPERA WORKSHOPS FOR PRIMARY SCHOOL STUDENTS
In a cultural milestone for the UAE, Expo 2020 Dubai has commissioned an Emirati opera titled ‘Al Wasl’ (meaning ‘The Connection’ in English).

A thousand years of culture will be brought to life through the Al Wasl Opera. Sung in English, audiences will be captivated by a story centred on unity and connectivity. Since time immemorial, our values have connected us, binding the UAE as a nation and a connector between civilisations. This continues to be the thrust of our progress into the future and will be revealed to the audience through the art of storytelling. The two-hour performances will let you experience the true spirit of connection.

Combining Emirati and global talent, ‘Al Wasl’ Opera will bring to life the UAE’s rich history and share its innovative spirit with the world.
