## EXPO GENERATION PROGRAMME

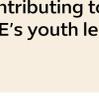

### Are YOU ready to be fast-tracked to key operational roles within EXPO 2020?

Fast-track training programme

Paid from day one

Contributing to the UAE's youth legacy

The Expo Generation Programme, previously known as Expo Academy, is offering a unique opportunity to UAE National graduates. We're looking for **YOU**, and 349 other exceptional candidates, to become high-calibre professionals capable of leading, operating and delivering mega-events.

**YOU** and the other 349 successful candidates will be paid from day one, and will undergo an intensive and exhilarating six-week training programme developing key operational and leadership skills.

Upon graduation, **YOU** will be assigned to a supporting operational and management role, providing **YOU** with a once-in-a-lifetime career opportunity within the Expo 2020 team. The programme offers you long-term employment contract for a minimum period of 12 months.

**YOU** will help us to create a lasting human legacy of knowledge and capability in the UAE, ensuring not only a meaningful national representation at Expo 2020, but delivering valuable on-the-job experience that will propel you onward to greater heights in the future.

### Will YOU be one of the 'Expo Generation 350'?

### What can YOU expect?

#### Building YOUR legacy

As part of the programme we will train and mobilise **YOU** into exciting roles across Expo 2020 that aim to provide **YOU** with the following:

#### Foundation

Providing strong learning foundations, in-depth knowledge and international exposure

#### Technical

Developing transferable skills to take forward into future careers

#### Mega

Gaining operational management experience in delivering mega-events

#### Leadership

Developing specialised knowledge and leadership skills

#### YOUR Training

The programme will provide **YOU** with the skills and knowledge to perform your new role confidently and competently in both the lead up to and at the Event itself. Our training is developed on a 70:20:10 approach that allows for hands-on learning;
