What's on in the World

Tuesday 2 February 2021

Please note that all timings are GMT + 4, and subject to final confirmation

USA

Showcasing American leadership in the health sector

Dr. G. Anton Decker will present the Mayo Clinic Model of Care, touching upon the history of knowledge sharing, lessons learned from the pandemic to guide the future of healthcare, and the creation of partnerships in patient care throughout our increasingly interconnected world. Dr. Decker will showcase American leadership in the health sector, address changes in the healthcare industry in the age of Covid, and promote Minnesota's cutting-edge role leading healthcare innovation.
